## Summary of TRC Consent Agenda, Discussion, and Vote

On Monday, April 13<sup>th</sup> a Consent Agenda was provided to the TRC consisting of non-substantive clarifications and edits. This Consent Agenda was created to streamline efforts to review all submitted CRs in a timely and efficient manner. TRC members were provided 1 week to review the listed Change Requests. An opportunity to remove a Change Request for additional discussion was provided, however TRC members did not see a need for discussion on any of these Change Requests.

On Monday, April 17<sup>th</sup> TRC members were provided a 2 day window to cast their votes via a poll on Doodle.com.
